PROFILE SUMMARY

As a highly motivated and responsible individual, I have cultivated a goal-driven skill set throughout my Bachelor's degree studies. With a strong foundation in computer science and proficiency in various programming languages such as HTML, CSS, Java, JS, PHP, C++, and SQL, I have developed a solid understanding of information systems and database management.

Eager to capitalize on my expertise in information management and computer science, I am enthusiastic about pursuing professional opportunities that allow me to make meaningful contributions. I am poised to thrive in roles that prioritize innovation, adaptability, and a commitment to excellence.
